At this point, the Apple Tree Team members changed into Identity (3) provided by the BGMiddy station and, with orders cut for them by that station, crossed the HBFairy-JBHomer border without incident. At a third rendezvous made in FJLaugh at 2300 hrs., 15 March, [ ] and the Apple Tree Team changed to cars driven by [ ] and [ ]. Although the TPetude investigation has not been formally completed, [ ] has been assured by the investigator that the incident will be established as a suicide. [ ] indicates that from all information he can elicit from Identity (8)'s confederates, the motivation for his act was despondency and concern for the fate of his family still in KMWaahoo.
